

KIA RICCHI

Home on the Reef
cement, fiberglass
53" x 30" x 10"
65 lbs

After many years of scuba diving, artist Kia Ricchi has captured the vibrant splendor of a tropical coral reef in this spectacular wall relief. Each one of these handcarved sculptures is a custom creation containing both colorful corals and marine life. This piece is sure to become a focal point for your home.

Home on the Reef is a sculpted wall relief that measures 53" x 30" x 10" and weighs 65 lbs. This ornate and life-like creation will delight both marine lovers and art enthusiasts, and the carved concrete technique allows for indoor and outdoor placement.
